Naman Globe Lifewears LLP

We prioritize quality, integrity, and customer satisfaction in all our work.

COMPANY PROFILE

MUMBAI

About Our Company

Naman Globe Lifewears LLP is a cutting-edge footwear manufacturing company located in Bhiwandi, Mumbai. As a new entrant in the industry, we specialize in producing a wide range of footwear for men, women, and children. Our offerings include flats, heels, sneakers and more. We pride ourselves on leveraging the latest technology and state-of-the-art machinery to deliver superior products.

Our Core Values

1.

Quality Excellence

We are committed to delivering high-quality products, consistently meeting or exceeding industry standards.

2.

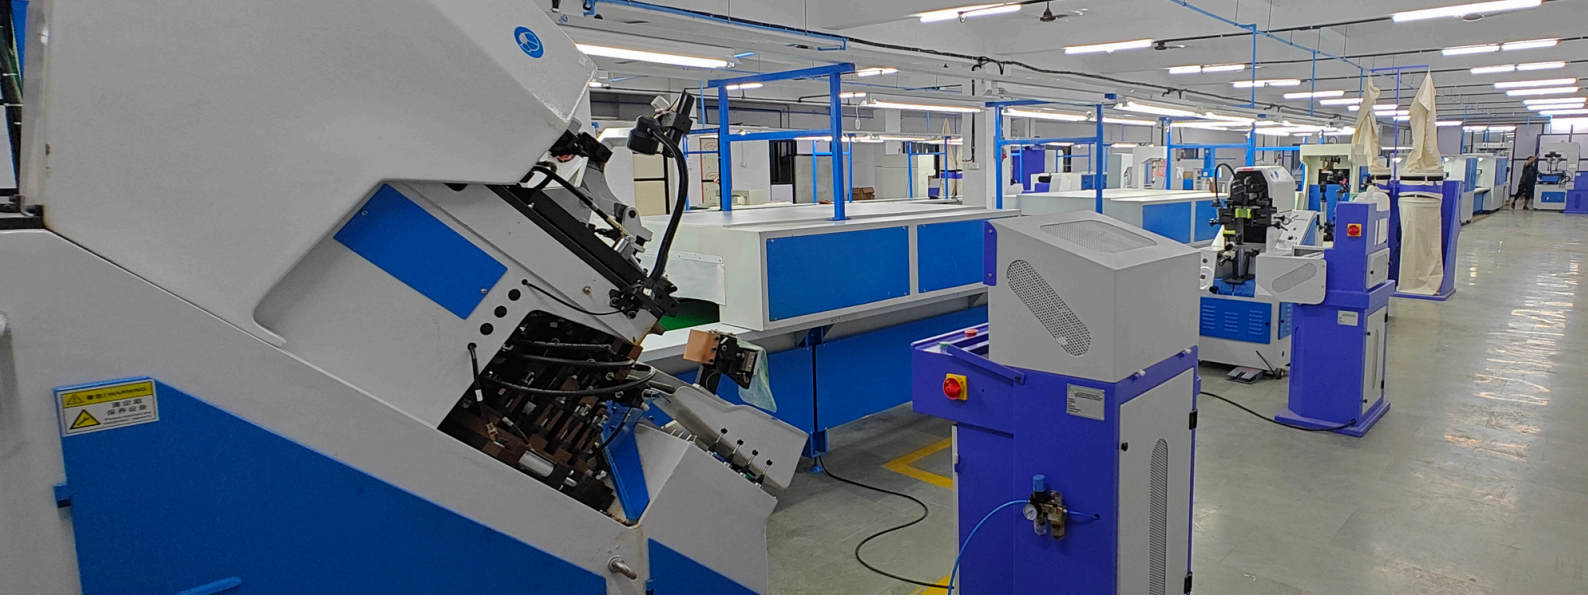

Integrity

We conduct our business with honesty, transparency, and ethical behavior in all our interactions.

3.

Innovation

We continuously seek innovative solutions and approaches to improve our services and deliver greater value to our clients.

Vision and Mission

Vision:

- To become the premier destination for fashion footwear, recognized for our innovative designs, impeccable quality, and timely delivery.

Mission:

- To solve buyers' design problems by offering creative and trendy footwear solutions.
- To ensure on-time delivery for sourcing teams.
- To maintain the highest standards of quality, giving quality assurance teams peace of mind.

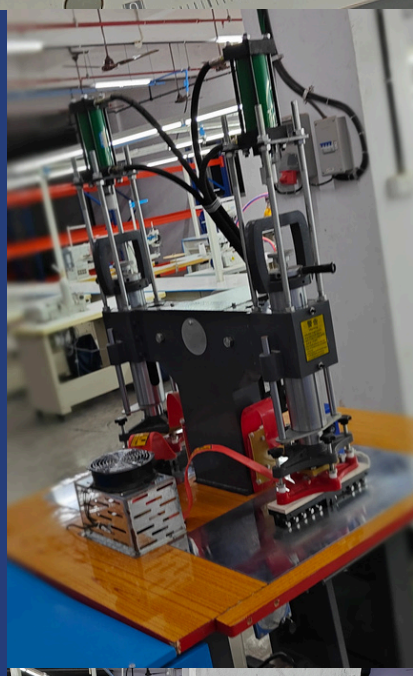

~Technology and Infrastructure~

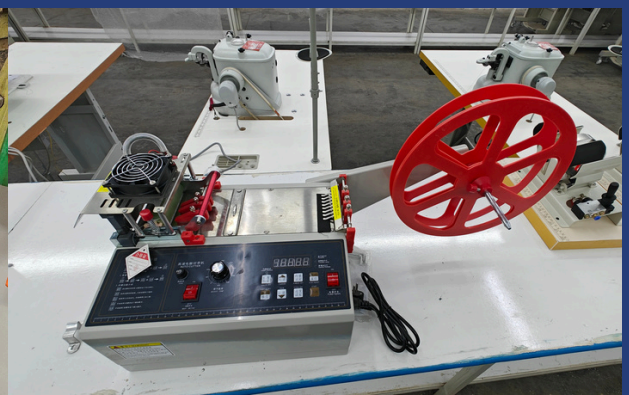

Our factory is equipped with modern technology and the best machinery available in the industry. We have a sophisticated conveyor system that enhances production efficiency and ensures consistency in quality. Our advanced technology enables us to cater to bulk orders while maintaining high standards.

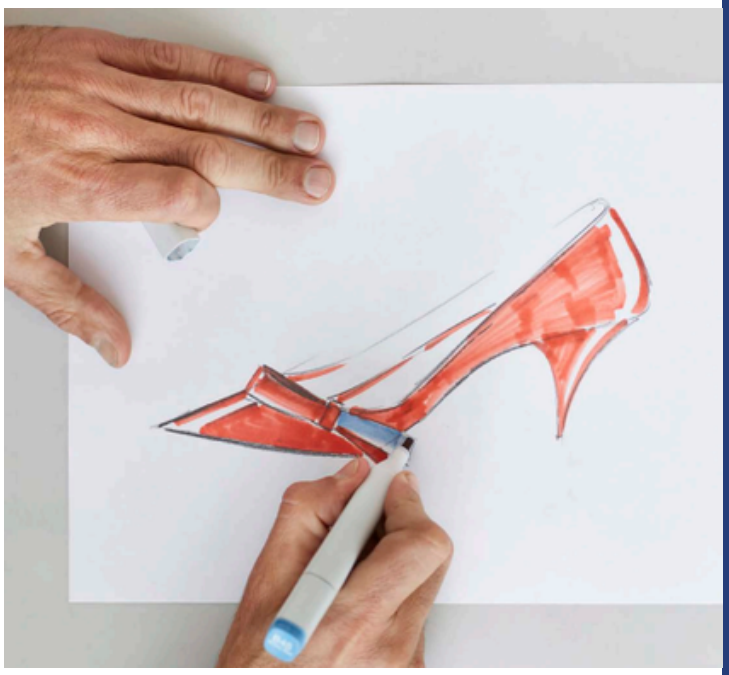

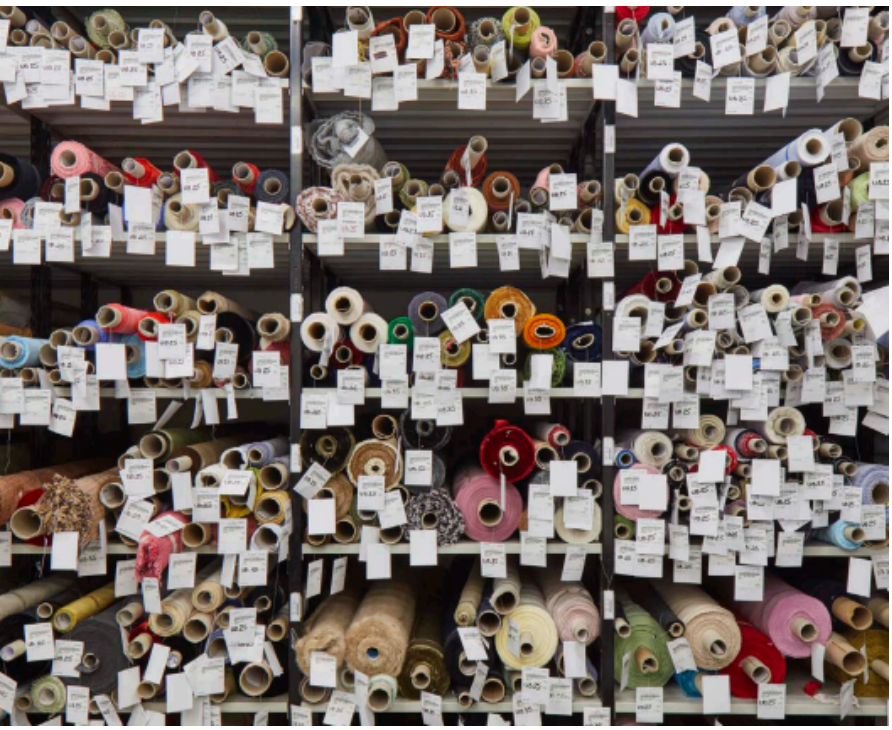

Design and Innovation

Creativity is the cornerstone of our manufacturing process. Our team seamlessly blends intellectual curiosity and cultural interests with the exploration of new ideas through an unconventional approach. Our creative process is rooted in constant research and collaboration, aimed at fostering a project culture that guides the efforts of everyone involved.

RAW MATERIALS

Raw materials are extremely important and its the essence of products quality.
An internal careful selection process of top quality raw materials.
